HONOLULU FIRE DEPARTMENT.

Meeting of the Board of Representatives.

The monthly meeting of the Board of Representatives was held last evening. Chief Engineer C. B. Wilson presiding. After the confirmation of the minutes, two letters from No. 4 company were read. One announced the expulsion of Lewai Kaawa, J. H. Boyd taking his place; also, the removal from office of foreman P. Souza for alleged misconduct, the position being consequently vacant. The other letter notified the Board of the expulsion of a member in consequence of his having joined the Hook and Ladder company without the consent of No. 4, of which he was a member, and asking that the several companies be instructed not to admit him to membership, his action being in violation of the rules of the Department. A letter had been received from Mrs. Robinson thanking the Department for their courtesy in attending the funeral of the late Josiah Kaaukai. The correspondence was accepted and placed on file.

The committee appointed to inquire into the case of Henry Robinson, reported that it had not been deemed advisable to send him to the hospital. Finding that he was in indigent circumstances, they had paid him the sum of \$50. The report was accepted and the committee discharged. Foreman McCarthy conveyed the thanks of Robinson to the Department.

The report of the committee of physicians was accepted and the committee discharged. It bore the signatures of Drs. McWayne, Gray, Martin, McKibbin, McGrew, Tucker, Trousseau, Brodie and three Chinese doctors.

The committee appointed to investigate the legality of the expulsion of William Ramsay from Company No. 2 reported that the by-laws had been complied with, but they considered he had not received justice, and recommended that the matter be referred back to the company.

At the request of Delegate Herrick, Foreman McCarthy stated the circumstances under which Ramsay had been expelled. The action had been taken on the recommendation of the foreman, but they were willing to give him a trial.

The matter was briefly discussed, Second Assistant Engineer Morgan contending that a member who appealed to the Board had a right to an impartial trial before the Board. Mr. Lucas said it would be time enough to appeal to the Board after he had been tried by his Company.

The report was adopted and the committee discharged.

A disposition was shown to discuss the expulsion of Foreman Souza, but a motion of indefinite postponement prevailed. Secretary Smith reopened the case by reporting that Souza noted an appeal. A committee consisting of Secretary Smith, Delegate Lucas and Foreman McCarthy was appointed to investigate the case.

Secretary Smith moved that Company No. 4 be notified not to fill the vacant position of foreman until the committee reported back to the Board. Carried.

Delegate Norton asked that the Hook and Ladder Company be allowed to draft a new Constitution and By-Laws.

Chief Engineer Wilson replied that they had a perfect right to do so provided that they notified the Board of their action.

The meeting then adjourned.

THE EMPEROR OF JAPAN.

Reception at the Japanese Consulate in Honor of His Birthday.

Yesterday was the thirty-fifth anniversary of the birth of Mutsu Hito, Emperor of Japan. He was born at Kioto, November 3, 1852, and succeeded his father, Komei Tenno, to the throne in 1867. The event was celebrated in this city last evening with a reception by Mr. and Mrs. Taro Ando at the Japanese Consulate, Nuuanu Avenue. The front of the house and the grounds were most brilliantly illuminated with colored lanterns, while the interior presented an elegant sight, being decorated with flags, flowers, ferns and evergreens. The Royal Hawaiian Band was stationed on the front lawn, and discoursed appropriate selections of music during the evening. A large number of invited guests were in attendance, comprising the elite of Honolulu. Some of the toilets worn by the ladies were beautiful in the extreme. The attaches of the Legation received the guests at the front entrance and conducted them to the main parlor, where they were most cordially welcomed by Mr. Taro Ando, Japanese Consul and Commissioner, and Mrs. Ando. Among those present were noticed H. R. H. Princess Liliuokalani, Hon. A. S. Cleghorn, members of the Cabinet, Diplomatic and Consular Corps, Privy Council and Legislature. Refreshments of a very palatable nature were served during the evening by an efficient corps of waiters. The reception was a most brilliant affair throughout.

CELEBRATION AT QUEEN EMMA HALL.
About fifty of the Japanese residents of the city celebrated the birthday of the Emperor at the Queen Emma Hall. One of the rooms was decorated in true Japanese style, and looked very pretty. Several speeches were made, and refreshments were served. The occasion was enjoyed by all present.

Go to the millinery opening at Sach's store to-day and you will see the latest novelty in hats and bonnets.
